LB 456, 456A, 549, 720

SPEAKER BAACK: LB 456 passes. Before we go to the next bill, I would like to welcome Senator Haberman back to our midst. Senator Haberman, it's good to have you with us.

SENATOR HABERMAN: Mr. President, thank you very much and if I may make a few remarks. The last time that you welcomed me back I wasn't too enthused as I only had one artery left. Now everybody has three, but I was down to one. However, somebody suggested that I get a second opinion and they suggested I go to Mayo's, which I did. They made a firm believer out of this guy as I now have two arteries that are open and the odds are much better in my favor, so I'll be with you, Mr. President, for a long, long time and thank you for your welcome.

SPEAKER BAACK: Thank you, Senator Haberman. Again, welcome back. The next bill, LB 456A.

CLERK: (Read LB 456A on Final Reading.)

SPEAKER BAACK: All provisions of law relative to procedure having been complied with, the question is, shall LB 456A pass? All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.
